You can either get off the bus just as it comes into the lower part of Southwell, turn right along the main street until you get to the Minster or stay on the bus as it turns left and goes through the housing estates and arrives quarter of an hour later outside the Minster itself. Afterwards you can have a late lunch in one of the cafes (Gossips is quite nice).. The concerts start at 12.30 I think and last about three quarters of an hour to an hour.
